

Fire Hymn Summary in English

The poem 'Fire Hymn' is highly composed by the poet Keki N. Daruwalla who is the recipient of Sahitya Akademi. His poetry is in his own words. In this poetry he tells us about a ghat which was burning. The ghat was totally burnt but to some extent it was half. Red, light showed their way. The sky seemed like a red ball. The sky is full of smoke which comes out from the fire. Many animals were killed and some of them are half cooked. The smoke swallows everything and at last leaves ash, which is grey colour. The poet says that he will never forget this fire, today after twenty five years when he was born. He says in a praise song that he stands forgiven. He swore that time to save it from the sin of forgiving. He did the things, I mean did mistake, so he was saying to forgive. The poet also shows his half burnt fingers. This was the fire which destroyed everything.

Fire Hymn Summary in Hindi

फायर हिमन कविता, केकी एन दारूवाला के द्वारा रचित एक रचना है जो साहित्य अकादमी के सहयोगी थे। उनकी कविताएँ उनके ही शब्दों में होती थी। उन्होंने एक घाट जो जल रहा था बताया। घाट में कुछ समान को छोड़कर सबकुछ जल गया था। लाल रंग पूरे आकाश में फैला हुआ और उससे निकले धुँ से ऐसा लग रहा है कि पूरा आकाश धुँ से भर गया है। बहुत से जानवर मारे गये थे और बहुत सारे जल गये थे वो भी आधा। धुँ सबको निगल गया था और ग्रे रंग का राख छोड़ दिया। कवि कहते हैं कि वह इस आग को कभी नहीं भूलेंगे। उन्होंने यह कहा कि ऐसा आग जो पच्चीस साल जब उनका जन्म हुआ था लगा था। उन्होंने शायद गलती की थी इसलिए वो माफी माँग रहे थे। यह वही आग है जिसने सबकुछ वर्बाद कर दिया।
